*\*Moerus Capital Management ("Moerus"), as registered investment adviser of the Moerus Worldwide Value Fund, has contractually agreed to reduce its fees and/or absorb expenses of the Fund, until at least March 31, 2025, to ensure that total annual fund operating expenses after fee waiver and/or reimbursement (exclusive of any taxes, brokerage fees and commissions, borrowing costs, acquired fund fees and expenses, fees and expenses associated with investments in other collective investment vehicles or derivative instruments, or extraordinary expenses such as litigation) will not exceed 1.25% for Institutional Class Shares. Acquired fund fees are estimated to be 0.01% and are included in the net total expense ratio. Please see the current prospectus for additional information.*

**Past performance does not guarantee future results. The performance data quoted represents past performance and current returns may be lower or higher. Returns are shown net of fees and expenses and assume reinvestment of dividends and other income. The investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than the original cost. Investment performance reflects expense limitations in effect. In the absence of such expense limitations, total return would be reduced. For performance current to the most recent month-end, please call 1-844-MOERUS1.**

Current and future portfolio holdings are subject to change and risk.
